DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

HIGHLIGHTS OF DISASTER RESPONSE ACTIONS

1. Activation of the Disaster Response Clusters on 251500H Dec 2016 at NDRRMC, Camp Aguinaldo, QC
2. Convened the cluster members on their respective emergency response preparedness and actions
3. Continuous Monitoring of the effects of TY Nina in coordination with RDRRMC member agencies of Regions 8, 5, CaLaBaRZon, MiMaRoPa, NCR, on the developments of their disaster response action

DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

FOOD AND NON-FOOD ITEMS CLUSTER

DSWD

1. Augmented 64,000 pouches of Ready to Eat Chicken Arrozcaldo to Field Office V intended for strandeds at ports and terminals.
2. Augmented (3) 4,000 pouches of Ready to Eat Meals to Regions 3, 4A and 4B.
3. 65,000 Family Food Packs for additional augmentation to Field Office V
4. Transported thru C130 the 2,585 Family Food Packs from Field Office VII to Virac, Catanduanes.
5. Schedule airlifting of two (2) 1,250 Family Food Packs thru C130 on 28 December at 4:30AM and 5:30AM respectively in Virac Catanduanes.
6. To date, a total of **₱13,565,249.00** worth of relief assistance has been provided to the affected families. Of the said amount, the Department provided **₱13,497,801.00** while the LGUs provided a total of **₱67,488.00**

LOGISTICS CLUSTER

OCD

Four (4) C130 planes to transport food and non-food items from Mactan, Cebu to Virac, Catanduanes Airport. On 26 December 2016 only 1 C130 transported the 1,485 FFPs to Catanduanes. On December 27, 2016, 4:30 and another on 5:30 AM flight from Cebu to Virac will transport 3,000 FFPs @ 1,500 each plane.

DPWH

Monitored the situation of the following major roads and bridges:

DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

Sixteen (16) road sections are closed to traffic; two (2) in Region II, three (3) in Region IV-B, Ten (10) in Region V and one (1) in Region VIII due to fallen trees and utility posts, on-going slope protection project (under contract), possible re-occurrence of landslides and high water elevation.

Six (6) road sections affected by previous typhoons and continuous monsoon rains are still closed to traffic; four (4) in CAR due to rock collapse, washed out embankment at abutments and slides and two (2) in Region IV-A due to landslide and rockfall, collapsed slope protection and vertical settlement of road and collapsed bridge.

ROADS CLOSED TO TRAFFIC

REGIONS

CAR

Abra DEO

1. Abra-Cervantes Road

a. K0432+194 Baay Bridge

SITUATION

Washed out embankment at abutment "B" and collapsed pier 5

ACTIONS TAKEN

Installed warning signs and barricades. Installed Footbridge at Bridge Approach. Requested for funding under Priority I. Detour road is at the river below the bridge.

b. K0455+822.2 Manicbel Bridge

Washed out embankment and collapsed stone masonry at abutment "A"

(Damaged by previous typhoon)

Installed warning signs and barricades. Requested for funding under Priority I. Detour

---	---	--

DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

- ❖ Various DPWH District Engineering Office Personnel are extending help/assistance to Local Government Units (LGU) for clearing operations in Typhoon affected areas.

DOH

DOH has mobilized assorted medicines and medical supplies in the total amount of 1,174,127.23; of which 378,789.63 from RO V to Catanduanes and Camarines Sur, 470,375.00 from RO V PDOHO to severely affected LGUs in Region V, 309,962.60 from RO VII to Eastern Bicol Medical Center and 15,000.00 from RDANA Team from RDRRMC to severely affected LGUs in Region V.

CAMP COORDINATION AND CAMP MANAGEMENT AND IDP PROTECTION

To date, there are **54,573 families** or **229,386 persons** displaced in **Regions CALABARZON, MIMAROPA, V and VIII**; of which, **41,516 families** or **174,963 persons** are currently staying in **650 evacuation centres** while **4 families** or **20 persons** chose to stay with relatives or friends.

EMERGENCY TELECOMMUNICATIONS

OCD

- Activated the Emergency Telecommunications Cluster (ETC) effective 25 1500H December 2016
- Regional Rapid Emergency Telecommunication Teams (RETT) in Regions III, MIMAROPA, CALABARZON, V, VI, and VIII were activated and on standby alert
- Satellite Phone System at the OCDROs are on standby alert
- Directed the OCDROs to utilize the Mobile Application "Batingaw" for information dissemination and status updates
- Disseminated warning information about Typhoon NINA (NOCK-TEN) to general public through telecommunication companies using emergency broadcast system

OCD III/ RDRRMC III

- On 23 December 2016, alerted and activated the Regional Response Cluster, Regional IMT and Regional RETT to monitor the progress of Typhoon NINA.

DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

- 7ID, PA – 703rd Brigade to install HF radio communication at OCD-RDRRMC III on 25 December 2016

OCD CALARZON/ RDRRMC CALABARZON

- Alerted the RDRRMC 4A RETT and RDANA Team to be on standby alert for possible deployment
- RETT Members from PNP Communication and Electronics Division (COMMEL) on monitoring and hourly updating of situation in the Area of Responsibility especially in the island municipalities
- 202 IB provided radio communications at the RDRRMO CALABARZON
- Established Emergency Communications SATPHONE and HF Radio from AFP SOLCOM at the RDRRMC IV-A Operations Center.

OCD MIMAROPA/ RDRRMC MIMAROPA

- Tested the Thuraya satellite phone (Operational) and checked available balance
- Established satellite communications through OCD Provincial Coordinators on site

OCD V/ RDRRMC V

- Radio communications and satellite phones on standby
- 9ID, PA installed radio communication system at the OCD V/ RDRRMC V Operation Center with frequency 147.15 Mhz (VHF) and 7.4550 Mhz (HF)

OCD VI/ RDRRMC VI

- NTC VI provided frequencies for the provinces of Western Visayas

OCD CAR/ RDRRMC CAR

- On 23 December 2016, convened the members of Cordillera RETT and alerted for possible augmentation
- Thuraya Emergency Communications Kit, Manpack Harris Radio System and Single Side Band Radios are on standby

OCD VIII/ RDRRMC VIII

- Alert and activated the Regional RETT
- Two Satellite Phones was tested

ERIC

- Deployed personnel at the Response Cluster Operations Center in Camp General Emilio Aguinaldo, Quezon City
- Deployed systems to aid integration of reports, actions and resolution in NDRRMC Response Cluster:
responseops.ph – collaboration platform
eric-ims – incident management system
drr-sitrep – situation report consolidation

DSWD

- Deployed DSWD RETT with Mobile Communications Vehicle equipped with satellite phone
- Provided High Speed Internet Service Augmentation to Response Cluster Operations Center

AFP

- Installed High Frequency Base Radios at the NDRRMC Response Cluster Operations Center

DISASTER RESPONSE PILLAR

TY NINA SITUATION REPORT NO. 5

December 27, 2016 , 6:00 PM

- OJ6 issued directive to unified commands and major services re communication support to HADR Units ICOW Typhoon NINA

PNP

- Issued directive and alerted the PNP-CES and Regional Communication Electronics Office (RCEO) personnel to Regions III, CALABARZON, MIMAROPA, V, VI, VIII, NCR and NHQ CES

DICT

- Twenty (20) BGAN were made available for deployment
- Issued memorandum to all Public Telecommunication Entities (PTEs) directing the provisioning of “Libreng Tawag and Libreng Charging” stations in the Provincial Capitol of the affected areas.
- Confirmed the receipt of emergency broadcast in the affected provinces through their Regional Offices
- Activated the Bicol Radio Amateur Group.
- NTC Region IV confirmed the weak signal of GLOBE and SMART in Mindoro.
- GLOBE landline no dial tone in Calapan, Mindoro reported by NTC Region IV
- No PLDT data signal in Batangas Port reported by NTC Region IV
- NTC activated Bayanihan Task Force to monitor the telecommunication services
- Areas received Text Alerts from TelCos
 - Cainta, Rizal- negative
 - Kumintang Ilaya, Batangas City- received from globe and smart
 - Coron, Palawan-received from globe and smart
 - Sto. Nino, Calapan City-negative
 - Dasmarinas, Cavite-Negative
 - Boac, Marinduque-negative
 - Quezon City-received from Smart
 - Batangas Pier, Batangas City-received from Smart
 - Capitol Site, Batangas City- received Christmas Greeting and load balance notice- no text alerts
 - Sumulong highway, Marikina-received Christmas Greetings and Load balance -notice- Negative text alert
- NTC RIV is closely coordinating with NTC Central Office personnel assigned at NDRRMC EOC Camp Aguinaldo.
- NTC RIV is closely checking and monitoring text alert emergency broadcast from telcos.

REACT

- Installed HF, VHF and UHF base radios with operator at the Response Cluster Emergency Operation Center in Camp General Emilio Aguinaldo, Quezon City

SMART

- Two (2) Thuraya satellite phones were made available for deployment
- Network Status and Availability
